A STATEMENT ON COVID-19
THE 2020 WASFAA CONFERENCE

The 2020 Student Access and Success WASFAA Conference in Hawaii this April is currently scheduled as planned. WASFAA’s main priorities are for the health, safety and well-being of the entire membership and attendees. The Conference Committee and WASFAA Leadership are closely monitoring the coronavirus situation and will follow the advice of the World Health Organizations guidance as shared by NASFAA as well as the advice of the Center for Disease Control and Prevention (CDC) along with state and local agencies. The Conference Committee will keep in close contact with the WASFAA leadership and will make decisions regarding the annual conference with everyone's best interest in mind. Should the situation change, we will communicate as necessary. As conference planners we are using this document for guidance as we move forward with the 2020 Student Access and Success Conference.
